

Lifestyle newborn photoshoot

Nature or your home

R1400

1hour photoshoot

40 fully edited photos in digital format

I will meet you with your family on location in little forrest or will come to your home. You and your baby will wear the clothes you would like to be photographed. I will capture you and your baby in natural interactios like kissing, holding cuddeling baby....Baby can be awake or asleep for this kind of photoshoot. I also do close ups of babies feet, eyes, nose ...

What you need to wear: clothes with no busy patterns, pictures and graphics. Plain colors works best. Avoid colors black and white. Same apply for baby. And no bulky clothes for baby specially around the neck.

Also wear comfortable shoes and breastfeeding mom shall wear top or dress which are easy accessible for possible breastfeeding.

This photoshoot can be done anytime from second week after the birth.

Due to Covid19 physical contact between photographer and clients is limited to minimum, sanitizing before the photoshoot compulsory. I don't wear face mask during photoshoot as there is safe distance between us.

There is a additional fee for traveling to clients home of R5/km. 50% deposit is required to secure your booking and date.
